Week Twelve

Next week is our last full week of the challenge (the challenge ends on June 1st) – can you believe how fast the time has gone?

Wii Tournament!

The Wii Tournament was a blast - check out the pictures included in this newsletter! Thank you to all who competed and congrats to our Top Three:

1st Place – Drew DeMarco
2nd Place – Danielle Caswell
3rd Place – Teresa Liu

Hide and Seek

We had lots of fun yesterday at the Hide and Seek Challenge! We had a total of 30 different dishes brought in, and some were very tricky to guess the hidden ingredient. I will be sending out the recipes as soon as I get them formatted, which will hopefully be tomorrow.

Field Day

Join us on Friday, May 28th for some old school fun – Field Day! This event will be yet another way for your team to earn points!

The event will run from 11 -2, but you of course do not need to be present for the entire time. It would be ideal for your team to compete together, so if your team is going to compete, please let me know when during that 11-2 timeframe would be best for your team (I estimate the events will take about 30-45 minutes). If there isn’t one chunk of time that would work, let me know.

Events will include light running, throwing, and balancing. This should be yet another fun event, so make sure you don’t miss out!

Drawing Winners and Leading Team

Congrats to our drawing winners – Angie Webster and Kent Page!

The team still in the lead is…PEas & CARrots Now (PECARN), but things are getting very close!
