### Teton Radiology – CXR ordered for Idaho Falls clinic

- **Teton Radiology**
  - 2001 S. Woodruff Ave, Ste # 17, Idaho Falls, ID
  - Phone: 208-524-7237

**CXR are done on a walk-in basis**

**Must be done at least 1 hour prior to scheduled appointment with cardiologist at Idaho Falls clinic. Can be done 1-2 days prior.**

### Appts that should always have echos:
- Transplant: Lim Echo (TXE)
- Aortopathy:
  - New Patients: COM Echo
  - Return Patients: LIM Echo (unless different on ERTC)
- Adult Congenital:
  - All ACHD patients for Dr. Hoskoppal and Dr. Cox need COM Echo with appt

### Urgent Patient Visits (UPV):
- Okay to schedule without permission from provider when patient is under 1 month old or if PCP calls in requesting sooner appointment
- Do **NOT** schedule for any other reason unless approved by cardiologist or nurses

---

**Post-Op Clinic (POR) & High-Risk Clinic (HRP):**

- **Only** schedule in POR and HRP spots as indicated by the nurses/providers (usually in ERTC)
- Confirm these appointments in Epic after scheduling. We do not do reminder calls for these appointments

---

**Red Flag Diagnoses:**

**EP Clinic Red Flags**
Check with Lisa Mills prior to scheduling any patients with the diagnoses listed below:
- AV Block (Heart Block)
- POTS (Post Tachycardia Syndrome)
- LQTS (Long QT Syndrome) *new pts only*

**Aortopathy Clinic Red Flags**
Check with Lindsay Meyers prior to scheduling any patients with the following diagnoses:
- Aortic Root Dilation
- Dilated Aorta

---

**Aortopathy Clinic**

**New patients** will need a complete echo as well as to be scheduled with Dr. Bleyl and the cardiologist during this clinic.

**Return patients** will need a limited echo. Check the ERTC to see if Dr. Bleyl will need to be scheduled.

- Dan Cox, MD (15 yrs and up)
- Arvind Hoskoppal, MD (15 yrs and up)
- Jason Su, MD (18 yrs and under)
- Steven Bleyl, MD (Heart Center Geneticist)

---

**Adult Congenital Heart Disease Clinic**

- Patients only qualify for this department if they have a congenital heart defect/disease. Signs or symptoms **do not** qualify. They must be born with the defect.
- All patients (new or return) for Dr. Hoskoppal and Dr. Cox will require a complete echo to be scheduled with their appointments unless otherwise specified by the provider.

---

**Pulmonary Hypertension Clinic**

- Patients only qualify for this department if they have been referred for pulmonary hypertension
- Unspecified hypertension is not appropriate for this clinic and **does not** qualify

---

**Transplant Clinic**

- Patients only qualify for this department if they are pre- or post-cardiac transplant. Non-Tx patients can only be scheduled in this clinic only if we have been instructed to do so by our providers/nurses
- Will need Tx echo prior to clinic visit (same day) unless otherwise indicated
