Marilyn Morris, NNP

ACCREDITATION
University of Utah School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION
The University of Utah School of Medicine designates this educational activity for a maximum of ___AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Utah Nurses Association. This program is approved for up to ___ Nursing Contact Hours. This educational activity has been approved by the Utah Nurses Association, which is accredited as an approver of continuing education in nursing by the American Nurses Credentialing Commission on Accreditation.

REGISTRATION FEE
Physicians: $350.00
Fellows, Residents, PAs, NPs, RNs, RTs: $250.00

PLAN TO ATTEND IF YOU
Plan to implement a HFV program in your hospital.
Wish to expand your understanding of State-of-the-Art neonatal, pediatric, and adult respiratory management tools.
Would like to learn from the experiences of experts in the field of neonatal, pediatric, and adult respiratory care.

LOCATION
As in past years, the 24th Conference will be held in Snowbird, Utah. During late March snow depths generally remain excellent, allowing a full range of skiing experiences while the weather tends to be mild. In addition, we can take advantage of ‘take season’ (off-season) room rates and smaller crowds on the slopes. Snowbird’s mountain offers challenges for the beginner and the experienced skier alike. For the non-skiers there are gondola rides, shopping, exercise facilities, heated pools, and spas available for hours of enjoyment. Access to Snowbird via Salt Lake City’s airport is convenient and reasonable. When making room reservations, be sure to also make discounted fare shuttle reservations with Canyon Transportation, 800-255-1841.

ACCOMMODATIONS
The conference is being held at the Cliff Lodge but there are many lodging options available at Snowbird. Room rates will vary depending on the type of accommodations requested, but in general will range from $75 – $120 per night, based on double occupancy. Please call Snowbird reservations directly for accommodations: 800-453-3000 or 801-742-2222. Be sure to mention that you are attending the “Conference on High Frequency Ventilation” to ensure billing at group rates.

TRAVEL
We have arranged with American Airlines to provide reservation and fare assistance for the meeting. If interested, call 800-433-1790, specify that you are with the “Conference on High Frequency Ventilation”, to assure billing at group rates.
